

These two longstanding community groups feature adult musicians from all walks of life who come together and create music for the communities in which they live. Each has performed at many different locations throughout the Flathead Valley. Both performance groups have always had local concerts, but this is the first time the two have combined forces for an evening of music.

For more information on either of these groups, visit:  
[www.fvcband.org](http://www.fvcband.org) or [www.cfcommunitychoir.org](http://www.cfcommunitychoir.org)
